## **Shattered Shine**

## **Crystal Stilts**

Shape shifting city stretches and bends the night Figures  $\square y$  past through space, faces shine with shattered light

A dream transmigrates it's way in the dark Twisting it's secret course all through the city's heart Shine shattered shine Shine shattered shadow

Shape shifting city stretches and bends the night Figures  $\square y$  past through space, faces shine with shattered light

A dream transmigrates it's way in the dark Twisting it's secret course all through the city's heart Shine shattered shine Shine shattered shadow
