Revealing signs  
Now they're plain to see  
Like the Jekyll to the Hyde not knowing what goes on inside  
Pain and misery

Blood flowing the pain's growing  
All aboard for the nightmare serenade  
The nightmare serenade

Passing times  
Torn in-between two worlds  
Lost inside tormented minds reality all senses blind  
Dreams without no ending

Blood flowing the beast's growing  
The madness has just begun

All aboard - the masquerade begins  
This spectacle of minds a nightmare serenade  
All aboard - exciting full of thrills  
One time journey to the nightmare serenade

Come and see this strange disguise  
To whom the madman shall reveal

His deeds he knows not what he's done  
Or when his crazed desires begun  
The skill in which he carves their flesh  
A mystery only he must confess

Don't look into this stranger's eyes  
Beware of what the truth reveals
