

# Slaves Of Time

Crystal Tears

I'm burning inside  
i'm victim of time  
there's no way for me to escape  
will i stay alive  
will i survive  
time can't be stopped it's in vain

just think it about  
that time's running out  
we always will be on the run  
we must realize that we 're all  
slaves of time!

can't you see we are enslaved!  
Years pass by and people fade!

how can we just forget  
the innocent years of the past  
people had never felt  
the pressure of time in their hearts

save us  
can you save us  
we 're slaves of time (2x)

walls that we build around ourselves  
eyes cold as ice oh who cares  
i don't wanna know  
if my heart still stands  
to face all this dramatic change

dreams of my childhood  
come true in life  
nightmares of pain return back  
soon we 'll discover  
what they've done to us  
forced us to follow their plans

yeah...yeah...yeah...

solo

forced in a fast way of life  
lost in the mass none can hear your cries  
time has been never enough  
time always treats us so tough

like an eagle in the sky  
spread wings smell freedom fly  
we must never feel bonds of time

chorus:  
how can we just forget...

save us...(4x)
