

## Do or Die

Crystal Viper

My will is free  
I have no god, no master  
Truth is my name  
I hold no grudge, nor anger  
I kneel to no one

I walk alone  
Although I'm still surrounded  
By howls of winds  
By screams of shattered lightning  
You can hear my name  
Among the damned

Always out of line!  
Always out of line!  
Leave your fears and doubts behind  
Do or die!

Fight for your right  
Do not approve submission  
Reach for the top!  
You don't need their permission!  
Never look behind

No time to waste  
Get rid of hesitations  
Be strong and don't listen  
To their suggestions  
Now, make up your mind  
And get things done
