

Down in the Crypt

Crystal Viper

How could it be? What have I seen?
What happened that awful night?
What happened there, I can't understand
I can remember my cry

Come on! Hurry!
Are you still going down?
Come on! Hurry!
I can hear you're alive
Come on! Hurry!
Now! Before it's too late!
Come back!

Covered by moss, dead cold and gross
Graveyard under the crescent moon
I can still hear in my memory
Voice that was calling my name

Come on! Hurry!
Are you still going down?
Come on! Hurry!
I can hear you're alive
Come on! Hurry!
Now! Before it's too late!
Come back!

Are you still there on the other end?
Are you there down in the crypt?
What happened there, we won't understand
It's beyond comprehension of men

Come on! Hurry!
Are you still going down?
Come on! Hurry!
I can hear you're alive
Come on! Hurry!
Now! Before it's too late!
Come back!
