

## Forgotten Land

Crystal Viper

Secret cities that no human knows  
Labyrinths with writings on black walls  
Weird tubular shapes at dizzy height  
Shows you world where no man can survive

Mysteries from beyond  
Life hidden in icy halls  
Mysteries from beyond  
History covered by snow

Land with no geometrical laws  
Unknown shapes and cyclopean blocks  
Disproportions beset from around  
Twisted lanes will tangle your way out

Mysteries from beyond  
Life hidden in icy halls  
Mysteries from beyond  
History covered by snow
