

TV War

Crystal Viper

T.V. war is part of life
Entertaining & far,far away
What a story & how they fight
Let's gamble & guess who will win

Danger is nowhere
We still got the chance to switch off
Remote control & the guarantee
It's somewhere else

T.V. war - T.V. war
Bloodless but deadly & cruel
T.V. war - T.V. war

We are eating,while we're watching
People die on the screen
Toasted & roasted & scrambled & fried
We are greedy & pay

T.V. war - T.V. war
Bloodless but deadly & cruel
T.V. war - T.V. war

Information - in between
Missiles are in the air
You can hear them & see
They're already here

T.V. war - T.V. war
Bloodless but deadly & cruel
T.V. war - T.V. war

Oh,yeah !

According to informed sources
Of the defence ministry:
There is now confirmation
That enemy missiles have penetrated our airspace
Impact is estimated in a matter of minutes
Good evening !

T.V. war - T.V. war
