

# My Time

Crystal Waters

been a long time since i got along fine  
(fine fine fine)

been a long time since i got along fine  
(fine fine fine)

been a long time  
since i got along fine  
since i felt my own rythm  
running down my spine  
no more funky situations  
thats been keeping people sane  
every second every minute  
every second every minute  
every second every minute  
every second (sec sec sec sec)

been a long time since i got along fine  
(fine fine fine)
