

Never Enough

Crystal Waters

No no, no-oh

No no, no-oh

Never enough, never enough
Your love is never enough, never enough
Never enough, never enough
Your love is never enough, never enough
Your love is never enough

Never enough, never enough
Your love is never enough, never enough
Never enough, never enough
Your love is never enough, never enough
Your love is never enough

No no, no-oh

Never enough, never enough
Your love is never enough, never enough
Your love is never enough
Never enough, never enough
Your love is never enough
Your love is never enough, never enough
Your love is never enough

Never enough, never enough
Never, never, no
Your love is never enough, never enough
Your love is never enough
Never enough, never enough
No, no, no
Your love is never enough, never enough
Your love is never enough

Never enough, never enough
Your love is never enough, never enough
Your love is never enough
Never enough, never enough
Your love is never
Your love is never enough

Never enough, never enough
Never, never, no
Your love is never enough, never enough
Your love is never enough
Never enough, never enough
No, no, oh
Your love is never enough, never enough
Your love is never enough
