

In right angles  
The key is moving  
Frothing the air as you do so  
No need for perfume  
It has a smell of its own  
Prepare a bowl  
Now Get a twig  
A pile of stones  
Add water if you have it  
The likeness now forming  
Forthcoming out the essence  
The likeness now foaming  
Pronouncing its presence  
Is it near or far away  
Irrelative in display  
Cutting through  
Space and time  
Like dog  
Made from slime  
Canine Devine  
We  
Call  
On  
You  
Boosep  
Wiggle  
Renew  
Extol Up to the ceiling  
In one minute  
It squibs  
It squirbs  
Wiggle  
Renew  
Exalt all meanings  
In squibs and squirms
