

Youreyeah

Crywank

Just let me close my eyes
I haven't been this scared in a while
I'll keep not listening to you
Even after all you've put me through

So wake me up when this is over
'Cause I can't stand to feel like this forever
I hope I don't wake up until you die
And I hope they eat out your insides

Don't wake me up
Don't wake me up
Don't wake me up
Don't wake me up, again
