

Ten million miles away
I can barely see the brightness of the glory of your room anymo
re
Maybe you're the snow inside my heart
Maybe you're the ice inside my veins
Maybe you're the barely flickering match between my fingers, an
d

Here comes the rain
Here comes the rain
Here comes the rain
Here comes the rain

I'll give you what you want, girl
Everything you'll take from me
Spread open my arms, here
Dig in with your sharpened teeth
Come in with a fervor
Leave me with no lungs to breathe
Come in with a fervor
Leave me with no lungs to breathe

Here comes the rain
(Come in with a fervor
Leave me with no lungs to breathe)
Here comes the rain
(Come in with a fervor
Leave me with no lungs to breathe)
Here comes the rain
(Come in with a fervor
Leave me with no lungs to breathe)
Here comes the rain
(Come in with a fervor
Leave me with no lungs to breathe)

Here comes the rain
Here comes the rain
Here comes the rain
Here comes the rain
