

Never Be Like You

Crywolf

What I would do to take away
This fear of being loved
Allegiance to the pain
Now I'm fucked up and I'm missin' you
I swear she'll never be like you
I swear she'll never be like you

I would give anything to change
This fickle-minded heart that loves fake shiny things
Now I'm fucked up and I'm missin' you
I swear she'll never be like you (like you...)

I'm only human can't you see
I made, I made a mistake
Please just slap me in my face
Tell me everything's okay
Only human can't you see
I made, I made a mistake
Please just slap me in my face
Tell me everything's okay

'Cause I got it, oh. She'll never be like you, oh...

Never be like you (never be like, never be like you)...

And I know she'll never be like you
She'll never be like you
She'll never be like you
She'll never be like...

How do I make you wanna stay?
Hate sleepin' on my own
Missin' the way you taste
Now I'm fucked up and I'm missin' you, oh
I swear she'll never be like you
I swear she'll never be like you

Stop looking at me with those eyes
Like I could disappear and you wouldn't care why
Now I'm fucked up and I'm missin' you, oh
I swear she'll never be like you

I'm only human can't you see
I made, I made a mistake
Please just slap me in my face
Tell me everything's okay
Only human can't you see
I made, I made a mistake
Please just slap me in my face
Tell me everything's okay

'Cause I got it, oh. She'll never be like you, oh...

Never be like you (never be like, never be like you)...
