Dynamite

```
Break 'em nuts!
Break!
'Em!
Nuts!
Break 'em nuts!

I, I, I go crazy at night
I, I, I go crazy at night
I, I, I go crazy at night

Like dynamite
Do the things you like
Fire starter, burn baby burn
Legs of butter at the smog cutter
Break them nuts, break them nuts
Like dynamite
Do the things you like
Fire starter, burn baby burn
Legs of butter at the smog cutter
Break them nuts, break them nuts

Ooooh-oooooh!
Doo-bee-roo-bee-doo
Doo-bee-roo-bee-doo
Uh, uh
Ooooh-oooooh!
Doo-bee-roo-bee-doo
Doo-bee-roo-bee-doo
Uh, uh

I, I, I go crazy at night
I, I, I go crazy at night
I, I, I go crazy at night

Like dynamite
Do the things you like
Power strut, burn baby burn
Smoke machine, you know what I mean
Break them nuts, break them nuts
Like dynamite
Do the things you like
Power strut, burn baby burn
Smoke machine, you know what I mean
Break them nuts, break them nuts

E aí, bee?
E aí, bee?
E aí, bee?
E aí, bee?
E aí, bee?
E aí, bee?
E aí, bee?
E aí, bee?

Dynamite
Do the things you like
Fire starter, burn baby burn
```

Legs of butter at the smog cutter
Break them nuts, break them nuts
Like dynamite
Do the things you like
Power strut, burn baby burn
Smoke machine, you know what I mean
Break them nuts, break them nuts
