Hollywoooooood!  
Everybody comes to Hollywood  
They wanna make it in the neighbourhood  
They like the smell of it in Hollywood  
How could it hurt you when it looks so good?  
Shine your light now  
This time it's got to be good  
You get it right now  
Cause you're in Hollywood  
There's something in the air in Hollywood  
The sun is shining like you knew it would  
You're riding in your car in Hollywood  
You got the top down and it feels so good  
Shine your light now  
This time it's got to be good  
You get it right now yeah  
Cause you're in Hollywood  
Hollywoooooood!
