

I Couldn't Care Less

CSS

I couldn't care less
I couldn't care less
I couldn't care less
I couldn't care less
I couldn't care less
I couldn't care

I heard it on the news, they said your house is burning
But all I can tell, it's fire everywhere
Maybe the day has come, this is the end of the world
But I don't give a damn, I couldn't care less

Just wanna get home, the traffic is so bad
The shoot down the deep, ah, I can't find a cab
The cat is hungry, "oh where", a nightmare!
But I don't give a damn, I couldn't care less

I couldn't care less
I couldn't care less
I couldn't care less
I couldn't care less
I couldn't care less
I couldn't care

And here it comes again, same old and just the same
How could you been so cruel asking me again?
Did I just change my name, to make you feel ok?
But I don't do that, I couldn't care less

Just wanna get drunk, forget all this crap
Don't wanna get deep, ah, my mind send a flap
The senior going, I'm a right back
But I don't give a damn, I couldn't care less

I couldn't care less
I couldn't care less
I couldn't care less
I couldn't care less
I couldn't care less
I couldn't care

I couldn't care less
I couldn't care less
I couldn't care less
I couldn't care less
I couldn't care less
I couldn't care

And everybody, get your body
Come on through the ride
(And everybody catch, and everybody catch)
Come on through the ride
(And everybody catch, and everybody catch)
No, no, I don't care, I don't mind
(And everybody catch you body, come on through the ride)
No, no, I don't care, I don't mind
(And everybody catch you body, come on through the ride)

I couldn't care less
I couldn't care less
I couldn't care less
I couldn't care less
I couldn't care less
I couldn't care

I couldn't care (Less)
I couldn't care less
I couldn't care (Less)
I couldn't care less, I couldn't care
