The Hangout

Oh, oh-oh
What's your name?
Oh-oh
I'd like to know
(Ah-ah)
If we could get along
Oh-oh
What's your name?
Oh-oh
I'd like to know
(Ah-ah)
If you live on your own
Oh-oh
What's your name?
Oh-oh
Is there any chance
Ah-ah
You would take me for a dance?

I've been dreaming for someone wild to show up
(To rock her world, to rock her world)
I go out feeling lucky but the night is lonely and cold
Oh-oh, oh-oh
Nobody goes on a date
They call it a hangout
I still go out and keep looking
But no one has shown
Ai, que uó

Oh, oh-oh
What's your name?
Oh-oh
I'd like to know
(Ah-ah)
If you wanna take me home
Oh-oh
What's your name?
Oh-oh
I'd like to know
(Ah-ah)
The number of your phone
Oh-oh
What's your name?
Oh-oh
Can you say it again
Ah-ah
Cause I didn't understand

Hey, how are you?
Do you come here very often?
I don't, but I'm most definitely happy I'm here tonight
Oh, these are my friends
Carolina, Ana and Luisa
(Hi, hey, hey)
Are you by yourself?
Not anymore!
