

# Too Hot

CSS

Pink and red  
You left me blushing last time we met  
You left marks on my body  
You left me thirsty and feeling pretty  
I need your warm embrace  
Because I think I'd like to lay down with you  
Mama doesn't like it  
She says you're not too good for me

Can't touch you, you're too hot  
Can't touch you, you're too hot, oh no  
Can't touch you, you're too hot  
Can't touch you, you're too hot, oh no  
Can't touch you, you're too hot  
Can't touch you, you're too hot, oh no, no

Hot and heavy  
You make this girl sweat  
Dripping down the fold of my breast  
I need to shower, lay down and rest  
When you touch me so deep  
I feel a fire all over me  
It makes me burn like red hot chilly  
And like a snake, I shed my skin

You know I really want you  
(Your hair is like a lion)  
I'm waiting for the morning  
(Glowing with delight)  
The night has lasted a long, long time  
(You're calling at my window)  
I hear it like an old, old song  
(So hard to close my eyes)  
You know I really want you  
(Your hair is like a lion)  
I'm waiting for the morning  
(Glowing with delight)  
The night has lasted a long, long time  
(You're calling at my window)  
I hear it like an old, old song  
(So hard to close my eyes)

Can't touch you, you're too hot (ooh, ooh, ooh, ooh)  
Can't touch you, you're too hot, oh no (ooh, ooh, ooh, ooh)  
Can't touch you, you're too hot (ooh, ooh, ooh, ooh)  
Can't touch you, you're too hot, oh no (ooh, ooh, ooh, ooh)  
Can't touch you, you're too hot (ooh, ooh-ooh, ooh, ooh-ooh)  
Can't touch you, you're too hot, oh no, no (ooh, ooh, ooh, ooh)

Rays of sunlight  
Through the windows when the clouds are  
Forever gone, goodbye  
Rays of sunlight  
Through the windows when the clouds are  
Forever gone, goodbye  
Rays of sunlight  
Through the windows when the clouds are

Forever gone, goodbye

You know I really want you  
(Your hair is like a lion)  
I'm waiting for the morning  
(Glowing with delight)  
The night has lasted a long, long time  
(You're calling at my window)  
I hear it like an old, old song  
(So hard to close my eyes)  
You know I really want you  
(Your hair is like a lion)  
I'm waiting for the morning  
(Glowing with delight)  
The night has lasted a long, long time  
(You're calling at my window)  
I hear it like an old, old song  
(So hard to close my eyes)
