

Something 'bout the music made me see we're really free  
 Like this is all I dreamed of, a life for you and me  
 'Cause you are everything to me  
 You've always been everything to me  
 All I wanted was to be free  
 Wanted that for you more than I wanted it for me  
 So I drive back to my parents' house  
 They tell me they miss me say I haven't been around  
 They don't really see me anymore  
 That's 'cause I've been out here, tryna live for something more  
 And if this right here is all we ever had  
 I'd die happy even if the music's sad  
 'Cause you're the best I ever had

I'm so high  
 I'm so  
 This right here is the best I ever had  
 You're the best I ever had  
 I'm so high  
 I'm so  
 This right here is the best I ever had  
 You're the best I ever had

Baby  
 Can you just take me?  
 Can you just set me free?  
 Free  
 Free  
 Baby  
 Can you just take me?  
 Can you just set me free?  
 Free  
 Free  
 Ahhh, ahhhh  
 Ahhh, ahhhh  
 Free

Scorpio sun, I got this Cancer moon  
 I'm praying all this water doesn't drown you  
 I'm just tryna learn from the past  
 Maybe it's the moon but I don't heal that fast  
 Sorry, didn't wanna make this said  
 Guess I wrote this all to try and heal from that  
 To let me feel all that

Baby  
 Can you just take me?  
 Can you just set me free?  
 Free  
 Free  
 Ohhh  
 Ohhh  
 Baby  
 Can you just take me?  
 Can you just set me free?  
 Free  
 Free

Ahh, ahhh

Free

(Feel like I'm 18)

(You were everything to me)

(You were everything to me)
