

# Pool!

Cub Sport

There is a place and we both know  
You and I don't care about the rules  
There is a pool and we must go  
It's just something we need to do

Do you want to jump?  
Oooh-oooh-oooh

Do you want to jump?  
Oooh ooh ooh ooh!

You and me no we can't fly  
Doesn't mean we can't get high  
Do think it's time we try  
Jump off the roof

You and me no we can't fly  
Doesn't mean we can't get high  
Do think it's time we try  
Jump off the roof  
Dance in the public pool!

There is a place and we both know
