Everything good  
Keep my body tight, on sight  
Cause I'm too good ya know

Be all up in ya feels

When I hit you wit a savage wave like Adios  
Wassup wit that check though?  
Do you got a trust fund?  
Yeah my price has gone up  
Since I got my butt done  
Sorry I'm on tour honey  
Competition scores bummy  
Droptop in that Porsche dummy  
But I want to spend your money  
Please open the door for me

Make my back so sore honey  
But be careful though
