Cuban Doll

Fuck that ride or die shit, real bitches keep it P
And you can keep the nigga, just make sure he don't come back to me
He was eatin' ass, had the nigga goin' brazy

Put the pussy in his face saucy, why these hoes hate me?
Quick to cut a nigga off, I ain't savin' niggas, baby
And I keep it G, name a ho that can't fuck with me
Got the opps linkin' up, same hoes be duckin' me
All these bitches wanna rap, and baby, it's because of me

Fuck with trap niggas, he gon' bag the cash up
Bitches ain't gettin' money, tell them, "Get they stacks up"
I've been shittin' on bitches waitin' on they taxes
Bitch, now let me show you how I got thick
Doin' splits on the dick, make a nigga cum quick
I'm a real thick bitch, I'ma back that ass up
Fuck with trap niggas, he gon' bag the cash up
Bitches ain't gettin' money, tell them, "Get they stacks up"
I've been shittin' on bitches waitin' on they taxes

Ayy, if he ain't talkin' 'bout a bag, I ain't want him
Lil' brown skin bitch raw as fuck, no condom
Ayy, bitch, let me show you how to flip a brick
Got a opp bitch hatin', .40 round with the clip

Rap ho stealin', niggas in they feelings (Bitch ass nigga)
I'm the type to blow a bag, I don't blow niggas
I'm with the winnin' team, I don't hangin' with no quitters
Big house on the lake, nigga, no ceilings
Let me put this crack on your face, crackhead nigga
I ain't 12, but I sent him on a chase
Had that nigga runnin' after me like he ain't ever ate
Got me bent over the balcony, makin' my legs shake
Damn, I sent that nigga home, why he thought that he could stay?
I'm the blueprint on these bitches, why they tryna steal the wave? (Big Indo)
