For I fuck on a scrub  
You's a lame not in my lane  
Don't need your bitch up in my face  
Free Tay K, if the cops come bitch I'm doing the race

It's Cuban Doll baby, all these niggas know I'm wavy  
No Mercedes hell nah, we can't have no babies  
Post me on the gram, we got all these bitches shading  
I know that's why they hate me  
Hell yeah, I'm sliding with my stick  
Perfect aim, I won't miss  
Put a target on a bitch  
Catch you walking at the market  
She was talking hella shit  
But her nigga on my clit  
And he wanna lick lick  
I get the top, then I dip  
Then he give her ass a kiss  
How you feel about them lips bitch  
And I can take your man

Need a nigga in the summer, need a nigga in the winter  
Need a nigga in my sprinter  
And he might be yours, tonight that nigga mine

Yeah, we can wine and dine  
Smoke this cookie yeah it's fire  
Met a nigga in the bay

Dress hanging down his face  
Shoot him up broad day  
No he don't like to play  
One phone call away  
His bitch mad I plugged in  
In your city I'm getting it in  
Getting that bag, I'm checking in  
Two Glock forty's, yeah them be the twins

Bitches out here shitting bricks  
Light skin, hard bitch
