

Exposya

Cuban Doll

(If there's anybody here that don't wanna get murdered... get the fuck out!)

That's the shit that
I ain't rocking with
Go and get yo Glock and shit
Bitches got some beef
They wanna go
And call the block and shit
I ain't with the corny ass talking
You can stop it bitch
Had to cut them goofies off
That's who I ain't rocking with

I hate a fronting ass nigga
And a scary ass hoe
Ian making new friends
All my opps gotta go
That's my brazy gang bitch
She gone pop "Let It Blow"
We just came from L.A
Now we back in the D(etroit)
I be posted in the hood
Like I'm back
Bitch no!
Got a trunk full of weed
This is Cali this ain't cheap
Niggas hate
Bitches hate
I be like let it go
I did not come to dance
Pop fah fah on a hoe

Now I'm in a bitch head
Like closure
Bitches doing anything
For exposure
You a fake ass bitch
I'll expose ya
Ooh they hate
When they see how you glo'd up, glo'd up
Cuban baby Ima doll
They can't never take me off
Cuban baby Ima doll
They can't never take me off

Tell me how you broke bitches
Do it
If I never had no money
I would lose it
I got business
I got bands like I'm Jewish
I make prices just like Nike
I "Just Do It"
Bitches stupid
Don't confuse me with the music
Act up I go crazy Ima use it
At the mall I'm going dumb

I'm in my new whip
If they hate me
Then they better check my new shit

Now I'm in a bitch head
Like closure
Bitches doing anything
For exposure
You a fake ass bitch
I'll expose ya
Ooh they hate
When they see how you glo'd up, glo'd up
Cuban baby Ima doll
They can't never take me off
Cuban baby Ima doll
They can't never take me off

(Tell me how you broke bitches do it
Tell me, tell me how you broke bitches do it
Tell me how you broke bitches do it
If I never had no money I would lose it
Tell me how you broke bitches do it
Tell me, tell me how you broke bitches do it
Tell me how you broke bitches do it
If I never had no money I would lose it)
