Cuban Doll

Bitch you ain't gettin no money

I'm on some get money shit  
Fuck it, I'm 'bout to get rich  
They hittin' them licks  
Cuban don't take counterfeit  
30 round drummers gon' aim at your fit  
I'm on some get money shit  
Fuck it, I'm 'bout to get rich

30 round drummers gon' aim at your fit

I had to get to the money  
I had to run up them racks  
Me and Kizzle Stacks  
I spend it and get it right back  
We don't fuck with bougie hoes  
You pushin' a Lac  
Better get back 'fore you get clapped  
Cuban Da Savage, I stay wit the chopper  
Balenciaga's, rockin' red bottoms  
I'm a show stopper, no you can't stop us  
I'ma fuck up some commas  
RIP to Osama  
AK's in a Hummer  
Lil ugly ass bitch, no I ain't your mama  
I'm the shit, need a plunger  
Ninety-three, smokin' ganja  
All that rappin' and you only got a Honda  
In the projects and I'm eating Benihana's

I'm on some get money shit  
Fuck it, I'm 'bout to get rich  
They hittin' them licks  
Cuban don't take counterfeit  
30 round drummers gon' aim at your fit  
I'm on some get money shit  
Fuck it, I'm 'bout to get rich  
They hittin' them licks  
Cuban don't take counterfeit
