

Nu Nu

Cuban Doll

Pretty thick bitch like nu nu
Now compare a bad bitch to a goof troop
I might spaz on a bitch, I got some loose screws
Lose bowels, boss shit when I doo-doo
When I came in the club, I was shittin' on them
When I seen them bum bitches, I was spittin' on 'em
I ain't gotta touch a bitch, I put my hitters on them
Fuck 'em everytime they see me, I've been gettin' money
I ain't trippin' on a nigga, had to boss up
Petty hoes in conversion, get you crossed up
Shook back, rolled the dice, and my numbers hit
Ran it up and then I pulled up in some other shit
Your nigga under mine, [?] look like a covenant
He gon' blow a bag, but he ain't touchin' shit
Seventeen, lemon squeeze with the 30 clip
Got it on me but I got a team to murder shit
Throwin' money, watch it fall to the floor, bitch
Money [?] big bag like you're low, bitch
Dollar bills, hit the button on them hoes
Fuckin' right, I got some more, make it wobble to the floor, bitch

If you a nigga gettin' money, put your hands up
Make it rain on a bitch and run them bands up
Take you, when she throw it back, nigga, man up
Get that money, all the bad bitches stand up
If you a nigga gettin' money, put your hands up
Make it rain on a bitch and run them bands up
Take you, when she throw it back, nigga, man up
Get that money, all the bad bitches stand up

Money real, I don't got [?], no cap
If you got a real man blowin' bands, make it clap
Can't relate to bum bitches talkin' loud in the back
Too proud for [?] another bitch crown, you a gnat
Pretty doll face, bad bitch, savage
Thick thots, came from eating cornbread and cabbage
Bitches real pressed, old toxic ass ho
Get a job and chase a bag, old gossip ass ho
Makin' moves out the country, everything foreign
Yeah, he want a hood bitch, 'cause a good bitch borin'
I'm too busy gettin' money, fuck what other bitches doin'
Only worried, get to me from my accountant when I'm tourin'

If you a nigga gettin' money, put your hands up (Hands up)
Make it rain on a bitch and run them bands up (Bands up)
Take you, when she throw it back, nigga, man up (Man up)
Get that money, all the bad bitches stand up
