

Playa

Cuban Doll

(I don't want to be a player
I don't got no time for no nigga, I'm just sayin')

I don't want to be a player
You telling me you love me, I feel like that you be playin'
And I ain't got no time for no nigga, I'm just sayin'
You feel like you the man, well I feel like you a fan
Man you know who I am, and you know what it is
I ain't the average bitch, you won't play me like I am
And fuck your promises, baby I can promise this
You can look but you won't never find nobody else like this, ha

Funny ass hoes, they gon' lead you in the wrong way
Need a loyal bitch too come home after a long day
I guess forever ain't forever in the long range
Or either I just took it in the wrong way
Ain't no tellin' man if I'ma stay for you
'Cause you play more games than a Playstation 2
And whatever games you play, bet I can play 'em too
But if I could baby, then you know I'd stay with you

I don't want to be a player
You telling me you love me, I feel like that you be playin'
And I ain't got no time for no nigga, I'm just sayin'
You feel like you the man, well I feel like you a fan
Man you know who I am, and you know what it is
I ain't the average bitch, you won't play me like I am
And fuck your promises, baby I can promise this
You can look but you won't never find nobody else like this, ha

Don't give a fuck about a nigga, I'm gon' end up winnin'
You play your cards right and maybe you can win
All these niggas on my line like we go together
Tell 'em I ain't cuffin' niggas even in the coldest weather
You can never even play me, I'm too wavy
All the niggas acting shady, I'm gravy
Hell nah, I ain't finna have your baby, you crazy
You can't get a call back 'cause boy I'm too lazy

I don't want to be a player
You telling me you love me, I feel like that you be playin'
And I ain't got no time for no nigga, I'm just sayin'
You feel like you the man, well I feel like you a fan
Man you know who I am, and you know what it is
I ain't the average bitch, you won't play me like I am
And fuck your promises, baby I can promise this
You can look but you won't never find nobody else like this, ha
