I'm so fucked up off this perc  
I'm so fucked up off this earth  
You still fucked up, out that bitch  
I'm still get my money, work  
If you scared go to church  
Me and my niggas gon' hurt ya  
Lil brother fourteen, pull up he gon' serve ya  
We don't trust these bitches, every week, it's a murder  
I can make you famous, cause your name, we ain't heard of

Young nigga, I be on that don shit  
Pull up to the block, hundred round on that drum stick  
See me better run bitch, I hold this gun for fun bitch  
I got a lot of funds bitch, I don't fuck with counterfeit  
Bad bitch yeah she on my dick  
She just wanna mean shit, but she can't even get a kiss  
Kick that bitch up out the whip

That Draco got banana clips  
I'm smoking on the loudest shit  
You fucking with the baddest bitch  
I only fuck with savages  
Calling all shots, I'm running shit just like the captain bitch  
Nigga play me wrong, it's gon' fuck round be a casualty  
Fuck your graveyard, we don't give fuck bout your property  
Niggas wanna talk, man they ass always stalking me  
Must thought this was batman, hell nah, you ain't robbing me  
Higher then a bitch hell nah ain't no Chinese
