

# Blackout

Cubamate

Countdown to the meltdown  
Countdown to the shakedown  
Love hurts when you're bleeding from the mouth  
You lied to me  
it doesn't matter now

Blackout blackout  
sweet dreams  
blackout  
Blackout blackout  
sweet dreams

Sixty seconds to the end of the line  
I've got sixty seconds to the end of the line  
Five minutes to midnight

I bet you love this  
I bet you're loving every minute  
You love this  
I bet you're loving every minute

Countdown to the meltdown  
Countdown to the shakedown

Bring on the  
Blackout blackout  
sweet dreams blackout  
Blackout blackout  
sweet dreams blackout

Sixty seconds to the end of the line  
I've got sixty seconds to the end of the line  
Kiss me goodbye kiss me goodbye  
Kiss me goodbye at the end of the line

Blackout blackout  
blackout blackout  
Blackout blackout  
blackout at the end of the line
