

Eyes can be deceiving
But I don't want mine to be to you
My ears can be receivers
I'll make it all okay
Coming from this place where
Love is all I need
And my boxed shape car
Will take you where you need

As long as I got got it (Tell me what you need)
Don't be robotic (Show me what you mean)
'Cause you're so hypnotic (Like lookin' at a screen)
You're supersonic (I always wanna see)
As long as I got got it (Tell me what you need)
Don't be robotic (Show me what you mean)
'Cause you're so hypnotic (Like lookin' at a screen)
You're supersonic (I always wanna see)

All these recurring thoughts
Seem to present themselves to me

Can you compute these thoughts?
To make them meant to be
I cannot bare to see
My dreams are make-believe

As long as I got got it (Tell me what you need)
Don't be robotic (Show me what you mean)
'Cause you're so hypnotic (Like lookin' at a screen)
You're supersonic (I always wanna see)
As long as I got got it (Tell me what you need)
Don't be robotic (Show me what you mean)
'Cause you're so hypnotic (Like lookin' at a screen)
You're supersonic (I always wanna see)

In the moonlight
Till the sunlight
I'll kiss you all night
Promise that you'll stay
