Do Better

Cuco

Baby, I'm gonna do better for you
Because I love you with my heart
Sunshine, moonlight, my angel
Darling, will you take my hand and my love?

I want to wake up next to you
Hold you in my arms forever too

Ah, ah
Ah, ah

Baby, I'm gonna do better for you
Because I love you with my heart
Sunshine, moonlight, my angel
Darling, will you take my hand and my love?

Cariño, yo a ti te quiero, oh
Mi amor, no lo dudes, por favor

Baby, I'm gonna do better for you
Because I love you with my heart
Sunshine, moonlight, my angel
Darling, will you take my hand and my love?..
