Feelings

Cuco

Get carried away and tell me the things you feel
Just don't look away, the feeling here is so real
It's just you and I, floating away in space
Don't worry 'bout them, they'll all go away some day

It's the truth
I gotta find my way back home
I'll look for you
The day that I'm all alone

A knock on my door, I wonder who it could be
The reflection of one, it's everyone here but me
Flew right by my eyes, the essence of company
I'm lost in desire, but now, I can feel at ease

It's the truth
I gotta find my way back home
I'll look for you
The day that I'm all alone
And it's the truth
I gotta find my way back home
I'll look for you
The day that I'm all alone
