

# My Old Friend

Cuco

Some day  
I'm gonna die  
But not before, I get the chance to say  
All those words  
On my mind  
My old friend  
My old friend

In the dark, you always shine  
More than all the stars in the sky  
My old friend  
My old friend

When the tough, gets tough  
I'll always be there for you  
When you don't wanna be strong  
There's nothin' that I wouldn't do for you  
My old friend

It's not just me  
Not just me  
It's everyone  
Everyone  
We celebrate  
Celebrate  
The days that you're alive  
You're alive  
Yeah, I swear  
You tried and cared  
You changed a life  
You saved a life  
My old friend  
My old friend  
My old friend

In the dark, you always shine  
More than all the stars in the sky  
My old friend  
My old friend

When the times get tough  
I'll always be there for you  
When you don't wanna be strong  
There's nothin' that I wouldn't do for you  
My old friend

My old friend  
My old friend  
Yes, I love you more than words can say  
My old friend  
My old friend  
Yes, I love you till the very end

My old friend  
My old friend  
Yes, I love you more than words can say  
My old friend

My old friend  
Yes, I love you till the very end

My old friend  
My old friend  
Yes, I love you, more than words can say  
My old friend  
My old friend  
Yes, I love you till the very end

I love you when you sleep  
You mean so, so much to me  
My old friend  
My old friend  
My old friend  
My best friend
