

Paradise

Cuco

When I'm with you it's paradise (it's paradise)
I'm down for you, I'll roll forever (roll forever)
I'll risk it all, I'll roll the dice
Anything you do, you make it better (you make it better)

Tell me why I'm stuck
Tell me I'm enough
That I'm the one
That I'm in luck

When I'm with you it's paradise (it's paradise)
When I'm with you it's (paradise)
When I'm with you it's (paradise)

Look at my eyes and tell me what you want
Something you want you tell me what it is
You never give me pain, you want diamond chains
Wanna ride shotgun, we switching lanes

Chill in the hills, we got a swimming pool
Don't even worry, shortie keep it cool
Leave up to me, you my company
We stargazing, you tellin' me

That I'm the one you wanna be with
That I'm the one you wanna die with

When I'm with you it's paradise (it's paradise)
I'm down for you, I'll roll forever (roll forever)
I'll risk it all, I'll roll the dice
Anything you do, you make it better (you make it better)

Tell me why I'm stuck
Tell me I'm enough
That I'm the one
That I'm in luck

When I'm with you it's paradise (it's paradise)
When I'm with you it's (paradise)
When I'm with you it's (paradise)

I wanna wake up
With you nothin' made up
I want that close up
With or without makeup

I wanna make love
I need your energy close to me
Who do you think of
I don't need glasses cuz I can see

That we belong
You my shortie, my compan
We gon stay strong
Trust me twice because I believe

When I'm with you it's paradise (it's paradise)

I'm down for you, I'll roll forever (roll forever)
I'll risk it all, I'll roll the dice
Anything you do, you make it better (you make it better)
