

# Ridin'

Cuco

Ooh, ooh

Ooh, ooh

I'll be drivin' you  
With my hand on your lap  
I'm the one for you  
So let me hold on your hand

We'll be ridin'  
Ridin', ridin'  
All night long  
Ridin', ridin', ridin'  
We'll be ridin'  
Ridin', ridin'  
Till the sun is gone  
Ridin', ridin', ridin'

Ooh, ooh

Ooh, ooh

Sit right next to me  
You  
And do the things you do  
Only you  
You're the best for me  
Ooh, ooh  
And I know it to be true  
So, so true

We'll be ridin'  
Ridin', ridin'  
All night long  
Ridin', ridin', ridin'  
We'll be ridin'  
Ridin', ridin'  
Till the sun is gone  
Ridin', ridin', ridin'

We'll be ridin'  
Ridin', ridin'  
All night long  
Ridin', ridin', ridin'

Ooh, I'm the one for you  
Ah-ah, I'm the one for you  
Ah-ah, I'm the one for you  
Ah-ah, 'cause I'm the one for you  
Ah-ah
