

Seems So

Cuco

My love, my love, my baby
My love, my love, my baby
My love, my love, my baby
My love, my love, my baby
My love, my love, my baby
My love, my love, my baby
My love, my love, my baby
My love, my love

Amor, I know
There's no order and it's hard
Keeping composure
Oh, I won't let
An ounce of ya safety
Go away, baby

I know what you say
I notice your vibe
And you want a baby (Yeah, I know)
Baby (Don't you know)
We saving
Don't want you to miss this
I want you to see
Claro que si

My love
I never wanted you to follow
I don't need that, no necesito
I know we act as what we see though
Seems so

My love, my love, my baby
My love, my love, my baby
My love, my love, my baby
My love, my love

Amor
Never feel like we in the same room
Or on the same page
I can make you see
What I need
What
Do you really wanna be?

I notice your vibe
And you want a baby (Yeah, I know)
Baby (Don't you know)
We saving
Don't want you to miss this
I want you to see
Claro que si

My love
I never wanted you to follow
I don't need that, no necesito
I know we act as what we see though
Seems so

Ooh
Since the way it seems so
Sentimental, we go
Further into free fall

My love
I never wanted you to follow
I don't need that, no necessity
I know we act as what we see though
Seems so

My love
I never wanted you to follow
I don't need that, no necessity
I know we act as what we see though
Seems so

My love, my love, my baby
My love, my love, my baby
My love, my love, my baby
My love, my love, my baby
My love, my love, my baby
My love, my love, my baby
My love, my love, my baby
My love, my love

Ah, ah
