Cuco

Hey bro, it's fuckin' Modelo time, homie
For real?

Take it easy, have some Cheetos
Got a family size pack of Doritos
While my neighbors talking shit, what you mean tho'?
The pachanga goin' up, it's domingo
Take it easy, have some Cheetos
Got a family size pack of Doritos
While my neighbors talking shit, what you mean tho'?
The pachanga goin' up, it's domingo

La Corona, el Tecate, some Modelos, Coors too
Tequila José Cuervo, o Caguama maybe too
Chorizo cooking up, some asada for my crew
Got my tías and my tíos, homie, you're invited too
Sneakin' up to smoke a blunt
Promise we don't give a fuck
We just went up to the store
Now the party is goin' off
Frijolitos in the street
Dressin' up, we lookin' neat
Screaming "Fuck Donald Trump"
Pray to God, and then we eat

Take it easy, have some Cheetos
Got a family size pack of Doritos
While my neighbors talking shit, what you mean tho'?
The pachanga goin' up, it's domingo
Take it easy, have some Cheetos
