

## Back 2 You

Cueshe

The night may seem so long  
But it will be over soon  
When I get home

There's so much here to gain  
But they all don't mean a thing  
If you're not here

I'm on my way  
Of slowly breaking away  
Your love will lead me through  
My way back to you

We've been through it all before  
But I don't mean to ignore  
You at all

The wounds may heal away  
But the scars are there to remain  
Reminds the pain

I'm on my way  
Of slowly breaking away  
Your love will lead me through  
My way back to you

I'm on my way  
Of slowly breaking away  
Your love will lead me through  
Got nowhere else to go  
I'm on my way back to you

The night won't be that long  
As soon as I'd get back home  
Back to you
