

Borrowed Time

Cueshe

Every fight needs mending
Every start has an end
Like the sunrise and the sunset
That's just how it is

Love on borrowed time
Will never be yours nor mine
I need you like you need me
The way we ought to be

Oh, it's good to be true,
If our hopes and dreams come true
Wish that I had more
Of this borrowed time
If only it would last a lifetime.

This bitterness inside
Is an empty space I hide
It never satisfies
Living my life in a lie

Love on borrowed time
Will never be yours nor mine
I'll just close my eyes
And it will be alright

Oh, it's good to be true,
If our hopes and dreams come true
Wish that I had more

Of this borrowed time
If only it would last a lifetime.

Now that you've gone away
You seem so close
But you're miles and miles away

Oh, it's good to be true,
If our hopes and dreams come true
Wish that I had more
Of this borrowed time
If only it would last.

Oh, it's good to be true,
If our hopes and dreams come true
Wish that I had more
Of this borrowed time
If only it would last.

Oh, it's good to be true,
If our hopes and dreams come true
Wish that I had more
Of this borrowed time
If only it would last a lifetime.
