

You're my superstar  
With just one look I know you are, yeah  
Cause when you stare me down  
It knocks me off into the ground, yeah

I know I can't forget your smile  
That's so fine it leaves me mesmerized

Ooh ooh ooh, I wanna be with my superstar  
Yeah, cause you're the one that my heart desires  
Yeah, with just one smile and I will be okay

There's something in your eyes  
It got me numb, it got me hypnotized, yeah  
It takes away the pain  
Like the sun shines after the rain, yeah

I know I can't forget your smile  
That's so fine it leaves me mesmerized

Ooh ooh ooh, I wanna be with my superstar  
Yeah, cause you're the one that my heart desires  
Yeah, with just one smile and I will be okay

I know I can't forget your smile  
That's so fine it leaves me mesmerized

Ooh ooh ooh, I wanna be with my superstar  
Yeah, cause you're the one that my heart desires  
Yeah, with just one smile and I will be okay

Ooh ooh ooh, I wanna be with my superstar  
Yeah, cause you're the one that my heart desires  
Yeah, with just one smile and I will be okay  
With just one smile and I will be okay  
With just one smile and I will be okay  
With just one smile and I will be okay  
With just one smile and I will be
