Celia  
See what you've done  
See what you've done  
See what you've done to someone

Oh girl you was looking so good  
Actin' so smart  
You took the man's heart and then you broke it  
You had your fun, fun for a day  
You took him to your room and then you sent him  
On his way

Oh Celia  
See what you've done  
See what you've done  
See what you've done to someone

You had your laughs  
You had your fun for a while  
You took that man into your room  
And then you sent him on the run  
Girl, you sent him on the run

Celia  
See what you've done  
See what you've done  
See what you've done to someone

Oh girl, now you made him so sad  
You got him so mad  
You better be careful he could hurt you

I heard him talking, I heard him say  
He wasn't gonna kill you  
He was just gonna fuck up your pretty face

If I was you I'd take the next train out of town  
I'm telling you the man is mad  
He's mad as hell and he's got a gun  
Girl, he's got a gun
