

Like I Do

Cults

No
Nobody does it like I do
See?
Still nobody does it like I do
No, no, I do
No
Can't nobody sleep like I do

Low
Nobody goes down like I do
Keep
Sweeping all my thoughts to the side too
So
I slide through
No
Can't nobody sweep like I do
Oh
I hide too
No
Nobody as weak as I feel

'Cause I sweep
I slide
I hide too

'Cause I sweep
I slide
I had to

Turn
To all the vices I'm tied to
Leave
Leave it all to me, I'll misguide you
Oh
I had to
No
Nobody as weak as I feel

'Cause I sweep
I slide
I hide too
I hide too

'Cause I sweep
I slide
I had to
I had to
