

# You Know What I Mean

Cults

I, I can't take things slowly  
Come let away that's what they all do  
Help me 'cause I'm feeling shaky  
Tell me what's wrong with my brain  
'Cause I've seem to have lost it

Chorus:

'Cause I am afraid of the light  
Yeah you know what I mean  
And I can't sleep alone at night  
Yeah you know what I mean

Lonely, that's not quite my problem  
I have all that I need, haven't quite lost it  
I try so hard to be happy  
'Cause something goes wrong once again

Please, please come and save me  
Tell me what's wrong with my brain  
'Cause I've seem to have lost it

Chorus:

'Cause I am afraid of the light  
Yeah you know what I mean  
And I can't sleep alone at night  
And you know what I mean.

'Cause I am afraid of the light  
Yeah you know what I mean  
'Cause I can't sleep alone at night  
And you know what I mean.
