

## Bay Dream

### Culture Abuse

Everybody's asking me to stay  
But I don't like it here  
It makes me feel so weird  
Now they're all wishing I would leave  
But I kinda wanna stay  
You make it seem okay

But how I always lose my mind  
When I'm in one place for long time  
But how I always lose my mind  
When I'm in one place for long time

Now it's getting closer, time to go  
But I feel so slow  
I wonder if it shows  
If only there was something I could do  
To make it easier on you  
I know what you've been through

But how I always lose my mind  
When I'm in one place for long time  
I miss you lots when I go away  
I miss you lots, do you want me to stay?  
Though I don't like it here

Call me up if you want me  
I'll be around for a couple more days  
But it doesn't matter wherever I go  
I'll come running if you let me know  
I know I'm gonna miss you  
I know, I know  
I know I'm gonna miss you one day  
I know, I know
