## Culture Abuse

Let there be peace on earth, let love reign supreme

You're always smiling  
But you're up to no good  
You're always smiling  
But you're up to no good  
You're always smiling  
But you're up to no good  
You're always smiling  
But you're up to no good

When I hear the gun shots outside  
I heard the news and I tried not to cry  
Well, I've heard a lot of things that I  
Never thought my friends  
Would have to say

Gotta, gotta, gotta live  
The way you wanna  
Gotta, gotta, gotta be  
The way you're gonna  
Gotta, gotta, gotta love  
Just who you wanna  
Gotta, gotta, gotta go

You're always smiling  
But you're up to no good  
You're always smiling  
But you're up to no good  
You're always smiling  
But you're up to no good  
You're always smiling  
But you're up to no good

A kid got gunned down by SF Police  
It's no longer far away, it's right down my street  
Well, it makes me wanna get my gun  
Makes me wanna cry  
We can't let them win

Gotta, gotta gotta live  
The way you wanna  
Gotta, gotta, gotta be  
The way you're gonna  
Gotta, gotta, gotta love  
Just who you wanna  
Gotta, gotta, gotta go

I gotta go  
Go, go, go  
I gotta go  
Go, go, go  
I gotta go  
Go, go, go  
I gotta go

Gotta, gotta gotta live

The way you wanna  
Gotta, gotta, gotta be  
The way you're gonna  
Gotta, gotta, gotta love  
Just who you wanna  
Gotta, gotta, gotta go

Gotta, gotta, gotta love  
Just who you wanna  
Gotta, gotta, gotta go
