

## Jah Rastafari

### Culture

Too long in our little ghetto wrong has been going on - let's protest

Children of Israel who really love rights

For Jah set I&I as a watchman - around Babylonian walls

Oh, Children of Israel

I&I should never hold I peace while wrong is going on - day or night

Man! Bust down Babylon gates - preparing the way - preparing the way for Jah People

Fight down war crime, fight down war and crime, fight down war and crime

And build up righteousness

Jah Rastafari, Jah Rastafari, Jah Rastafari - preserve all people

Put crime away - put crime away again

Jah set I&I still as a watchman, around Babylon walls

Yes, Children of Israel

I&I should never hold our peace - while we are penalized day and night

We should chant down Babylon doors - preparing the way for Jah people
