

Can't be stopped, I am too damn hot  
Tip of my finger got money on it not no rock  
Younger than Young Joc but I can pull yo pop  
Got a problem? We a pop up like a popup shop  
Or cut it with the attitude before I pop my trunk  
I own 99 cars but you don't own one  
I would hate me too, money tall like 8'2  
I make your nigga call you up like I need a break boo  
And I don't act surprised, bitch stop with the lies  
You know yo ass salty like McDonald fries  
That I get money in the morning then by night it be gone  
Then I get that money back like I'm getting refund (let's go)

Waiting for me to fall off bitch keep waiting, waiting  
(Tick tock tick tock tick tock tick tock)  
It'll be the 33rd of the month I'm just saying, saying  
(Tick tock tick tock tick tock tick tock)  
Waiting for me to fall off bitch keep waiting, waiting

Grind hard, tryna get to the top just like Moses  
Perfume smelling like good pussy and roses  
I don't do hoes like bitch keep up  
And if you got something to say than bitch speak up (say it)  
Not saying I'm a listen cause I don't got time  
Bitches with dark clouds you know I outshine  
Followed after lurking, ok bout time  
You not getting followed back tho, you not even fine  
You fucking busta, I'm a real hustler  
Eating real meals while you out eating supper  
I get that money ASAP like Rocky soon as it hit my pocky  
I'm cocky, her and her copied and I still don't care  
Cause I built you hoes like Build-A-Bear  
Jealously from the ugly is typical  
But I check bitches quicker than a physical  
Hanging out with my thots got the streets on lock  
We hit the mall then we shop spend a couple of rocks  
You would think we at the bar the way these hoes taking shots  
Stop talking if you not gone meet me at a vacant lot
