

Backstage Passes

CupcakKe

I offered him front row seats (Yeah) to all this nasty (Uh)
He got to the show, then he asked me, can he get backstage passes?

In between my cheeks, givin' him my biggest assets (Mmm)
Got my asshole squintin' on his dick like it might fuck around
and need glasses (Ah)

Front row seat, yeah, to all this nasty (Mmm)

Raw dog, raw dog, all dogs go to Heaven, so you know that nigga
deep in the twat
Emily Elizabeth, big dog in this shit, nigga might jump off a cliff,
he get dropped
Dick in the pussy, like he's tryna pick a lock
Multi-talented, different genres on the cock
Pussy wrapped all around your dick it'll make a bitch moan, R and B
right after it popped

(Gwuahh, gwuahhh)
Pee down my throat, nigga, give me that gold
(Gwuahh, gwuahhh)
Then have your cum follow the Yellow Brick Road
(Gwuahh, gwuahhh)
I'm the wizard of cocks all across the globe
(Gwuahh, gwuahhh)
I'ma wash that dick if your cum got loads

Now witness when I visit
I leave him, it just be crickets
Nigga sleep, fucked him relentless
Then left him, I'm not attentive
Let him lick it, stick it, flick it, dick it
Brain donation, head is wicked
He can't pull out, tow truck, get it
Backdoor me, I love that entrance
