Hey friend, what's up?
This nigga, wanna fuck
How much do he got? bitch, enough
Hey friend, what's up?
His dick fat as fuck
If u lick his balls, then bitch I got his butt

Ay, let's go, let's go, let's go
Hop on his dick then we hop on the floor
Sixty-nine how we go toe to toe
Can't find his dick Marco-Polo
Don't use no flash on the dick photo
'Cause my diamonds & spit gon' make u glow
Fuck from the side watch my ass poke
Both cheeks poking out like the number three, woah
Pussy a fatty, its droppin' that addy, its telling u come boy whatchu gonna do?
I'm with a baddie, she calling you daddy, it ain't yo child best take her to school
Unibrow when I just went down, he ain't fucking shaved so my eyebrows grew
Golden shower these fat ass cheeks, don't stop til I look like Pikachu
Nigga I'm too secure when I fuck
This tongue was made to clean a dick up
Hope her pussy matchin' her lace front that shit come pre-plucked
I'm a freak bitch, cum slut, stirring my cake mix in a butt
Slap yo dick dick across my face til my cheeks turn red, I won't blush

Then bitch we lit
If I bring my bitch, bring my bitch, bring my bitch
We suckin' dick
