

Lactose intolerant bitch
If there's no cheese, then I ain't doing shit
I don't give a fuck if the nigga is rich
If the money ain't straight, body ain't gettin' bent

Call me Whora the Explorer
I'm looking for them niggas who could afford her
If swiper no swiping, come, just ignore 'em
I need a Birkin bag, backpacks is boredom
Call me Whora the Explorer
I'm looking for them niggas who could afford her
If swiper no swiping, come, just ignore 'em
I need a Birkin bag, backpacks is boredom

Shut the fuck up and spend that bag
If you ain't got it, then, bitch, don't brag
Never see a bitch wearing clothes with a tag
Only thing I take back is me fucking her dad (Haha)
Stand in line for a smash and pass
On Earth, that'll be my last
Holding a balloon, she's a part of the cast
Straight out of It, bitch, with your clown ass
Bank on F-E-A-S-T (Woo)
Meals after meals, gettin' wired every week (Woo)
Chocolate Reese and you know he want a piece
Think he own this pussy, whole time he got a lease

Call me Whora the Explorer
I'm looking for them niggas who could afford her
If swiper no swiping, come, just ignore 'em
I need a Birkin bag, backpacks is boredom

Bum-ass bitch tryna flex with my ex (Ex)
Body look tea, but your face look Rex (Rex)
I don't reply if there ain't money in the text
If I hit the dash, I'll ghost you in a flash (Skrtrt)
Truck three hundred, wrist one hundred
Ask who bought it, your nigga, he fund it (Bling, bling)
Sexy-ass whip, all black, it's a dungeon
Niggas full of shit, but I ain't never try to plunge it
Never gave dry, never gave broke (Ah)
Never gave a nigga nothing but false hope (Uh-huh)
Look at me, bitch, him leaving is a joke
Couldn't turn a nigga off if he came with remotes

Call me Whora the Explorer
I'm looking for them niggas who could afford her
If swiper no swiping, come, just ignore 'em
I need a Birkin bag, backpacks is boredom
